

OUR LATEST NEWS

The DIGITAL on STAGE journey continues to unfold with remarkable milestones across Europe! Over the past months, the project has entered its most dynamic and productive era, delivering major educational resources, large-scale mobility actions, local training workshops, and the launch of its highly anticipated Cascade Funding Programme.

Here is everything you need to know about our latest achievements:

THE DIGITAL ON STAGE HANDBOOK IS NOW AVAILABLE

Following the successful publication of *The Digital Realm Guidebook*, we are proud to announce the release of a second core project output:

The DIGITAL on STAGE Handbook

The Handbook presents:

- 60 video tutorials
- 60 corresponding teaching manuals & methodological guides
- 120 learning elements, each linked through individual QR codes

It introduces elaborated capacity-building methodologies designed to support practical and immersive training experiences for traditional performing artists. Through advanced digital tools and training handouts, the Handbook visualizes how VR, AR, AI and other emerging technologies can be applied in the performing arts.
